**Regional Superintendent's Mileage**

Total Miles
4140

**Staff Changes in Lawrence County Office**

Longtime ROE #12 Lawrence County Office Manager, Sandi Thacker, retired at the end of June. After advertising the position in all five counties, Lindsay Overton was hired as her replacement. Lindsay has worked periodically with the ROE over the past several years (typically in a substitute capacity). In addition to her duties as Lawrence County Office Manager, she will also be responsible for Bus Driver Training programs for the ROE.

**Changes in ROE #12 Employees' Health Insurance**

We recently made the decision to change plans for employee health insurance. We were formerly with Egyptian Trust but now have joined the Illinois Schools Employee Benefits Consortium. This change will allow us to offer those employees who opt for the benefit better coverage with more flexibility in options at a lower cost to both the employee and ROE (and therefore, at a savings to the taxpayers as well).

## **Robert Fear Retires From Regional Board of School Trustees**

Robert Fear, Newton recently retired from his position on the Regional Board of School Trustees, having represented Jasper County since the 1980s. Fear's replacement on the Board is Travis Farley of Newton. Farley was seated at the meeting of the Regional Board on July 7th in Olney. The Regional Board serves the citizens of Clay, Crawford, Jasper, Lawrence, and Richland counties by hearing petitions for detachment and annexation of property from one school district to another. A plaque commemorating his many years of service was recently presented by (L-R): Corrie Ray, Assistant Regional Superintendent of Schools, (Fear), Travis Farley, and Regional Superintendent of Schools Monte Newlin.

## **West Richland Annexation Proceeds**

The legal challenge brought against the West Richland CUSD #2 Board of Education and the Regional Board of School Trustees of Clay, Crawford, Jasper, Lawrence, and Richland Counties was recently withdrawn, paving the way for the annexation of the District to East Richland CUSD #1 on July 1, 2014. Officials from both districts worked hard to prepare for the new school year. All junior high and high school students are attending at the facilities in Olney, while all grade school students' parents have been given the option of having their students attend either elementary building in Olney or Noble. The former West Richland Junior/Senior High School building in Noble is now owned by the Illinois Eastern Community College District #529. I believe it is their intention to use it as a satellite campus for Olney Central College programs. East Richland CUSD #1 officials report that the transition for students and staff has been smooth and that student needs have been paramount in the decisions made.

## **ROE #12 Pre-K Programs Awarded Gold Circle of Quality**

Regional Superintendent of Schools Monte Newlin is pleased to announce that the Illinois State Board of Education, the Governor's Office of Early Childhood Development, the Illinois Department of Children and Family Services, and the Illinois Department of Human Services have recognized the Gold Circle of Quality rating earned by two of ROE #12's Pre-K Programs. The Regional Office of Education #12, which

serves Clay, Crawford, Jasper, Lawrence, and Richland counties, operates nine Pre-K programs in five locations throughout the five-county region.

The recognition is based on scoring through ExceleRate Illinois, the state's new quality rating and improvement system for early learning and development programs that serve children from birth to age 5. ExceleRate unifies all of the state's early learning programs under a common set of standards across multiple settings to provide families with important information about quality early learning programs in their community. It is anchored by a set of standards that focus on the early learning and development and places a high priority on instructional excellence, family services, staff qualifications, professional development, and program administration. Central to its design is multiple forms of evidence to meet the universal standards. This evidence is obtained through the monitoring visits conducted through National Louis Vuniversity's contract with the Illinois State Board of Education.

*Pictured (L-R): Teacher Aide Pam Pilman, Teacher Lisa Bergbower, Regional Superintendent Monte Newlin, ROE #12 Pre-K Programs Director Peg Cain, ROE #12 Pre-K Programs Assistant Director Jill Young.*

### **ROE #12 Professional Development Offerings for 2014-2015 Announced**

ROE #12 is proud to announce its' Professional Development offerings for 2014-15! Priced from free to \$150 for Administrators' Academies, there's something for every educational professional to keep their skills sharp, and expand their professional growth. Check out the listing at [http://www.roe12.net/wa\\_files/PD\\_20for\\_202014-2015.pdf](http://www.roe12.net/wa_files/PD_20for_202014-2015.pdf)

### **ROE #12 Staff Participate in United Way's "Day of Caring"**

The United Way of Crawford County organized a "Day of Caring" on Tuesday, August 5th, for volunteers to aid in the preparations for the coming school year in the Crawford County schools. ROE #12 ASSIST Program Director, Travis Titsworth (pictured) and Right Track Truancy Director, Brandon Gurley spent the day painting the gymnasium at Hutsonville Junior High, and doing landscaping at Nuttall Middle School in

Robinson. ROE #12 salutes these dedicated employees and all the many volunteers who took the time to make the schools and students in their community a priority!

### **ROE #12 Helps To Heighten Awareness of School Issues Via Broadcast PSAs**

Regional Superintendent Monte Newlin recently recorded four public service announcements (PSAs) highlighting the importance of driver awareness of students and school bus safety, while Right Track Truancy Director Brandon Gurley recorded a PSA emphasizing the importance of school attendance. All five PSAs were distributed to the radio stations of the five county region in mid-August in time for the new school year.

### **Annual ROE #12 Audit**

Representatives of the Illinois Auditor General's Office recently concluded their annual audit of the Regional Office of Education #12. While the final report is forthcoming, we have been notified that once again, no findings have been noted. For numerous years now, ROE #12 has had clean audits. Serving as good stewards of the taxpayers' money is no accident. Each and every employee can take credit for this achievement. Special kudos go to ROE #12 Business Manager, Crystal Smith and ROE #12 Grants Manager, Jana Baker.

## ROE #12 Calendar of Events for 2014-2015

All ROE #12 Events for the new school year can be found on our Google Calendar. Access it through our website at [www.roe12.net](http://www.roe12.net). Then, scroll down to the bottom of the front page. Click once on the calendar icon at the bottom of the page, and then you've got all our events at your fingertips!
