PRESENTS:

SCREENING FOR DYSLEXIA

Kellyn Sirach
Reading Content Specialist

SEPTEMBER 11, 2024
9:00 AM – 10:30 AM

This professional learning session is designed to equip educators and administrators with the knowledge and tools necessary to effectively identify students at risk for dyslexia and reading difficulties. Dyslexia demands early detection and appropriate prevention and intervention to pave the way for reading success. This session will focus on the assessment protocols necessary to identify students at risk for reading failure.
