Trauma Informed Paraprofessionals

September 18, 2024 | 8:30 am - 11:30 am

ROE #12 PD Center - 407 S. Whittle Ave., Olney

Registration \$15

Trauma-Informed Care is an approach that focuses on students and their behavior who have had a history of trauma.

It shifts the focus from
"What's wrong with you?" to "What happened to you?"

In this training, attendees will learn the guiding principles of trauma-informed care that serves as a framework for paraprofessionals working with students.
